Re: High School Principal Report July 2020

Homedale Board of Trustees,

Graduation took place on June 26th. I am very grateful for all the help we received in getting things set up and for all of those that were a part of pulling this unique celebration off. We received a lot of positive feedback regarding the ceremony and I am thankful that our seniors were able to celebrate with somewhat of a positive closure to this hectic school year.

Our FFA/AG teachers have been hard at work and doing some great things for our school and community!
