

ARAMARK EDUCATION IN PARTNERSHIP WITH THREE RIVERS SCHOOL DISTRICT

CUSTODIAL

We have developed a new custodial supply order form. The new form will allow us to track the total cost, type and amount of supplies being used at each school per month and year.

With this information we will be able to supply the District and Board with a true break-down on what the total custodial supply costs are to run a school. It will also help us better manage our month to month supply costs per building based on it's square footage and the staff/student population.

SPRING BREAK PROJECTS

THANK YOU

To our custodial staff for their hard work and dedication over this spring break. A lot of great work was completed in a short period of time. Here are just a few of the projects completed:

- Fruitdale – Power scrubbed, refinished café floor. High dusted gym and main hallway. Hosted custodial training
- Jerome Prairie – Extracted carpets in classrooms 2-7, 11 and 12. Burnished hard floor areas in rooms 1-4, and the café.
- Madrona – Scrubbed and refinished the gym. Floor.

CUSTODIAL TRAINING

The focus of our training over spring break was on FloorCare QL. This is the next process being covered in the ARAMARK Quantum leap innovations program. It's the next generation in advanced resilient floor maintenance, this system employs high speed equipment and specific finishes, designed to reduce labor and increase productivity.

Benefits of the program include:

- Excellent floor appearances through the use of higher quality floor finishes
- Greater productivity
- Controlled product usage
- Enhanced risk management, due to decreased incidents of slips and falls
- Asset preservation
