B. Bond Presentations

As can be seen by the information above, there are several opportunities for the community to participate in bond information sessions at Town Hall Meetings, Brown Bags Lunches or by special arrangement. Administration continues to seek out additional opportunities to disseminate information related to the bond propositions under community consideration on May 9th.

Additionally, Trustees should be aware of an information portal the District has created at www.aledoisdbond.org.

C. Title I Compliance Information

On April 7, 2015 the District was notified by the Texas Education Agency that our District had, once again, been found in compliance with all requirements of Title I, Part A, Section 1102© of the Elementary and Secondary Education Act of 1965 (ESEA).

While not surprising, it is a compliment to the staff members who work so hard with children in need of Title I funding and the job they do.

D. Morningstar Development Presentation

Administration has invited the developers of Morningstar to come and present their development planned for north of the intersection of FM 3325 and IH 20. Presenting the development will be Mr. Kim Gill or Mr. Tim Fleet.
