

School Board Meeting/Workshop:

April 22, 2013

Subject:

Policy 722 – School
Attendance Boundaries

Presenter:

Pam Miller

SUGGESTED SCHOOL BOARD ACTION:

Approval

DESCRIPTION:

The elementary administration uses Policy 722 for guidelines regarding in-district transfer requests. There are currently only two reasons why an in-district transfer request can be approved. Administration felt the need for the ability to approve a request for other reasons i.e., class size, etc.
