

Hardware Agreement

April 13, 2017

Michael Wilkes
Geneva School District 304
227 N. 47th St.
Geneva, Kane, IL 60134-1307

In March 2017, PDS responded to Geneva School District 304's Form 470 application 170070534 for the E-Rate Program. The District is requesting HPE 1950 Switches, specifically quantity twenty-five (25) of model HPE JG963A, 48 port POE switches or equivalent and associated basic maintenance software support. This is an equipment only purchase and no installation or services are required. Below is the PDS Hardware Quote:

Part Number	Description	Unit Price	Discounted Price	Qty	Extended Price
HPE 1950 Switches
