

The levy certification documents for Minnesota's public schools will be issued by MDE on Monday, September 8th. Information will be forwarded to school board members when it is available.

The first "levy run" typically contains errors. Joe Prom will work with MDE to correct the calculations over the next few weeks. He will review what we have of the Payable 2015 Levy at the school board meeting.

Joe and I expect the Pay 15 Levy to be comparable to the Pay 14 Levy within a few percentage points. **I recommend approving the maximum preliminary certification.**

A presentation covering the 14-15 budget and the Payable 2015 Levy will be provided by the business manager at the December 1st school board meeting. The final levy amount will be approved by the board at that time.
