Action

BACKGROUND INFORMATION:

This academic initiative is in accordance with our Strategic Plan Goal 2: Expand innovative learning opportunities in the areas of science, math and technology.

Strategy 2.1.2: Design magnet and other unique school choice models that emphasize a particular educational focus such as: engineering, science, technology or the arts.

The district seeks to launch a new Health Professions Magnet Academy at AC Jones High School in August 2018. Careful study and preparation has been conducted to support the need for health-related career clusters. District analyses included student and workforce data, site-visits, and focus groups.
