Re: Superintendent's Board Report

Four Day Week Committee

- The community forum will be Thursday, March 13th at 7:00 p.m. I plan on sharing information at the forum that has been gathered by the committee. I will also do my best to answer questions that may come up during the forum.

Crisis Management Plan

- We have had a request by our SRO to review and update our emergency procedures. He has been working with each of our schools during their fire and lockdown drills and has given a lot of great feedback. We will be working on updating our policy with some of his suggestions as well as reviewing the current ISBA version to bring to the board for approval.

Day on the Hill

- We had a productive "Day on the Hill" at the Idaho Legislature. We had the opportunity to talk to all three of our legislators and a couple of other legislators. It is a very interesting opportunity and a good way to spend a day. The legislature is pushing to finish up by March 21st.
