AGENDA ITEM: Consideration of Approval of an Order Calling a Bond Election in the District; Making Provisions for the Conduct of the Election; and Giving Notice of the Election

DISCUSSION: The District has completed a comprehensive review of its long-term facility needs through strategic planning, enrollment and workforce demand analyses, facilities master planning, and financial planning. These efforts have identified the need to expand and modernize instructional facilities to meet the educational and workforce training needs of the College's fast-growing service area.

The proposed bond program will provide funding for the design, construction, renovation, modernization, acquisition, and equipping of College facilities that support workforce training, career and technical education, and academic instruction. Approval of this Order will call a bond election to be held on November 3, 2026, allowing the voters of the District to consider authorizing the issuance of up to $600,000,000 in general obligation bonds for these purposes. The Order also establishes the required election procedures, ballot language, voting locations, early voting provisions, and other matters necessary to conduct the election in accordance with the Texas Election Code.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends approval of an order calling a bond election to be held on November 3, 2026 in the District in the amount of $600,000,000; making provisions for the conduct of the election; and giving notice of the election.

SUGGESTED MOTION: "Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves an order calling for a bond election in the District in the amount of $600,000,000; making provisions for the conduct of the election; and giving notice of the election."
