Re: North Creek Board Report
Date: June 9th, 2025

Dear Chelsea Board of Education,

As we wrap up another incredible school year, I'm excited to share the highlights from North Creek during May and June. These final months have been filled with celebration, reflection, and connection—all centered on the strong, supportive culture we've built together.

We concluded our Portrait of a Graduate (POG) work for the year, spotlighting the POG character trait of the week, holding our monthly community meetings, and honoring our last group of "bucket fillers." It's been inspiring to hear students use the language we've focused on all year—demonstrating collaboration, communication, critical thinking, and creativity, and more. These moments are a great reminder of how our staff, students, and parents continue to trust, collaborate, and care about each other at North Creek.

The end of the school year has been full of joy, smiles, and memory-making experiences:

- Field Day was a tremendous success, thanks to Mr. Burris's planning and the enthusiasm of staff, students, and volunteers.
- PTO Ice Cream Social brought our community together in a relaxed, fun setting. We're grateful to our PTO for their continued commitment to enriching our school.
- Grade-Level End-of-Year Celebrations provided fun and adventure:
 - *Young 5s* celebrated with an awesome classroom party right here at North Creek.
 - *Kindergarten and 1st grade* students took their energy to the Treehouse
 - 1st Grade had a blast at Pax Gymnastics
 - *2nd grade* students kicked off summer with swimming and celebrating at Beach Middle School.
