**Re:** Gaggle Safety Management - 1 year contract

---

## **Recommendation:**

It is the recommendation of the Superintendent to approve a 1-year agreement for Gaggle Safety Management at a cost of \$2,500.00.

## **Background Information:**

During the past year we have seen an increase in inappropriate student communications using email and documents in google drive. Gaggle Safety Management monitors student email, documents, slides, and other school owned google accounts for inappropriate use and evidence of potential self-harm. We believe the addition of this tool will help us work with students and families using district owned Google accounts for inappropriate interactions.
