

Greetings Evergreen Families,

I am so happy to see students and families back in our building, and look forward to meeting more of you on Back to School night. That evening will be hosted on Thursday, September 5th beginning at 5:30pm in the gym. We will be discussing our Title program, school improvements, and the opportunities you have to be involved here at Evergreen.

Many of you noticed the most visible change to our campus, which has been our request to adults to always check in at the office and grab their visitor sticker. As an open campus, we want to know who is walking through our halls. Thank you for helping in this area.

Attendance is so important to student learning. Feel free to reach out if you have concerns or questions, communication is key in making sure students have the availability to learn.

As always, my door is open to sit down with any parent who would like to know more about Evergreen or has a concern they want to talk about. I look forward to this coming school year, and can't wait to see what our students accomplish.
