Dr. Jeanette Ball, Superintendent  
Judson Independent School District  
8012 Shin Oak Drive  
Live Oak, Texas 78233

Dear Superintendent and President of the Board of Trustees:

This is to inform you that the following charter school intends to submit an amendment request to the commissioner of education:

Charter School	Meadowland Charter District
County-District	#130-801
Charter School Address	216 East Blanco Road, Boerne, Texas 78006

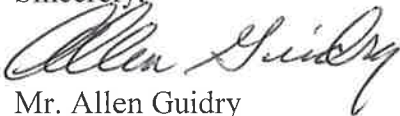

As part of the amendment process, charter schools are required to notify any districts that are likely to be affected by the change. The enclosed Statement of Impact form indicates the type of amendment request being made.

Specifically, Texas Education Agency guidelines require that the Statement of Impact form be sent to each district that may be affected. Information is requested if the proposed change may adversely impact a district financially or if the proposed change may impact the student enrollment of a district in a manner that impairs the district's ability to comply with a court order.

Please note this campus has already been in place during the 2018-2019 school year serving youth at the Roy Maas' Youth Alternatives programs. The expansion is to allow those children residing in the shelter at The Bridge, Turning Point, La Puerta, or Centro Seguro to continue to attend school with us once they are placed in long term care from DFPS or reunited with family members.

Please review the enclosed form and notify the Texas Education Agency if your district will be impacted by the request.

Sincerely,

Mr. Allen Guidry  
Chair of the Charter Holder Governing Body
