Mansfield Independent School District

TITLE: Consideration and Approval of School Health Advisory Council (SHAC) Members

DATE: October 28, 2025

ACTION

BACKGROUND:

A School Health Advisory Council (SHAC) is a group appointed by the school district to serve at the district level. Members of the SHAC come from different areas of the community and from within the school district. The majority of members must be parents who are not employed by the district. Texas law ([Texas Education Code, Title 2, Subtitle F, Chapter 28, Subchapter A, §28.004](#)) requires the establishment of a SHAC for every school district. SHACs are required to meet at least four times each year.

SHACs assist the districts in ensuring that local community values are reflected in health education instruction. Additionally, SHACs play an important role in strengthening the connection between health and learning. They can help parents and community stakeholders reinforce the knowledge and skills children need to stay healthy for a lifetime.

CONSIDERATIONS:

The Student Health Advisory Council recommended committee for 2025-2026 is presented to MISD Board of Trustees for consideration.

RECOMMENDATION:

The Superintendent recommends that the Board approve the SHAC members as presented.

RECOMMENDATION MOTION:

“Move to adopt the MISD School Health Advisory Council committee for the 2025-2026 school year as presented.”
