

# AGENDA ITEM

---

**Subject:** Consider approval of the election contract with Hill County.

**Rationale:** The past legislative session brought about new regulations in regards to uniform elections and who is to conduct them. Since the HISD District voting precincts are within the county boundaries, Hill County is responsible to conduct early voting as well as election day voting for us. Within the contract, the District agrees to pay for ballots, voting systems, election judges and clerks.

**Recommendation:** Approve the contract with Hill County for election services for not more than the amount of \$4,295.38.
