Re: Review of Rebids for Testing/Balancing and Visual Display Boards at Hayes, Kennedy and Roosevelt - 2013 Bond

As part of the 2013 bond issue, we will renovate Hayes, Kennedy and Roosevelt Elementary Schools this summer. It was necessary to rebid two divisions for the renovation; Testing/Balancing and Visual Display Boards. We would like to discuss the responses received at the next Building and Site Committee meeting on Monday, March 23, 2015.

The RFB for the Testing/Balancing and Visual Display Board divisions of the Phase II projects at Hayes, Kennedy and Roosevelt Elementary Schools was made available on February 18, 2015. The bid responses were due on March 4, 2015. We received many responses and Cresa is currently reviewing the information. The process for evaluation will be in accordance with the criteria that were established previously.

The bid responses will be available in the Business Office conference room for any Board member that would like to look at the documents provided by the various firms. We will have a week between the committee and the regular meeting to answer any questions you may have.

On Monday, March 23, 2015 at the Building and Site Committee meeting Plante Moran Cresa will present the results of their evaluation to the Board of Education, and provide recommendations for next steps in the process of selecting the vendors to provide the Testing/Balancing and Visual Display Board divisions of the Phase II projects at Hayes, Kennedy and Roosevelt Elementary Schools.
