- Your consultant

# OUR HISTORY

- Olympus Group was founded in 1893
- Specialize in mascots, custom print, and US flags
- Started producing mascots in the 1990s
- Have produced over 20,000 mascots to date
- Clients include professional and collegiate sports teams, licensed characters, iconic national brands, and more!

# WHAT SETS OUR MASCOTS APART

- Full custom capabilities from concept to finishing
- Industry-leading consistency
- In-house capacity ensures speed and accuracy

# EVERY MASCOT IS ●●●● COMPLETELY CUSTOM

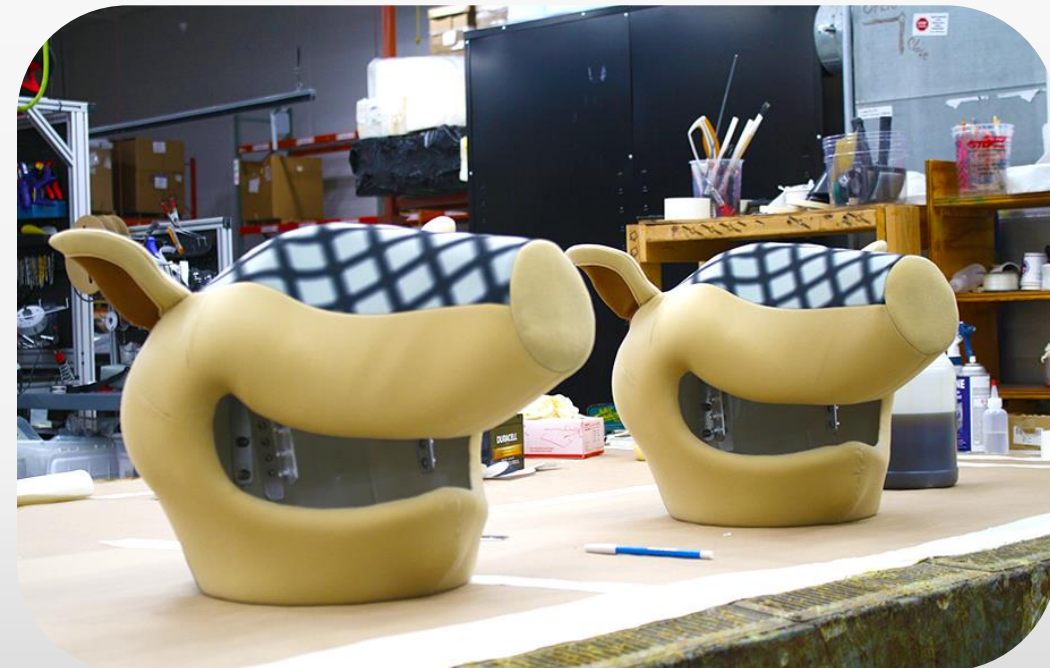

- In-house artists tailor designs to deliver the best results for your brand goals
- Material specialists hand select from 400+ in-house fabrics and components
- Custom in-house printing and dyeing to expand your palette even further
- Digital print specialists recreate your custom patterns and logos
- Our artists also design and fabricate custom accessories to complete the look

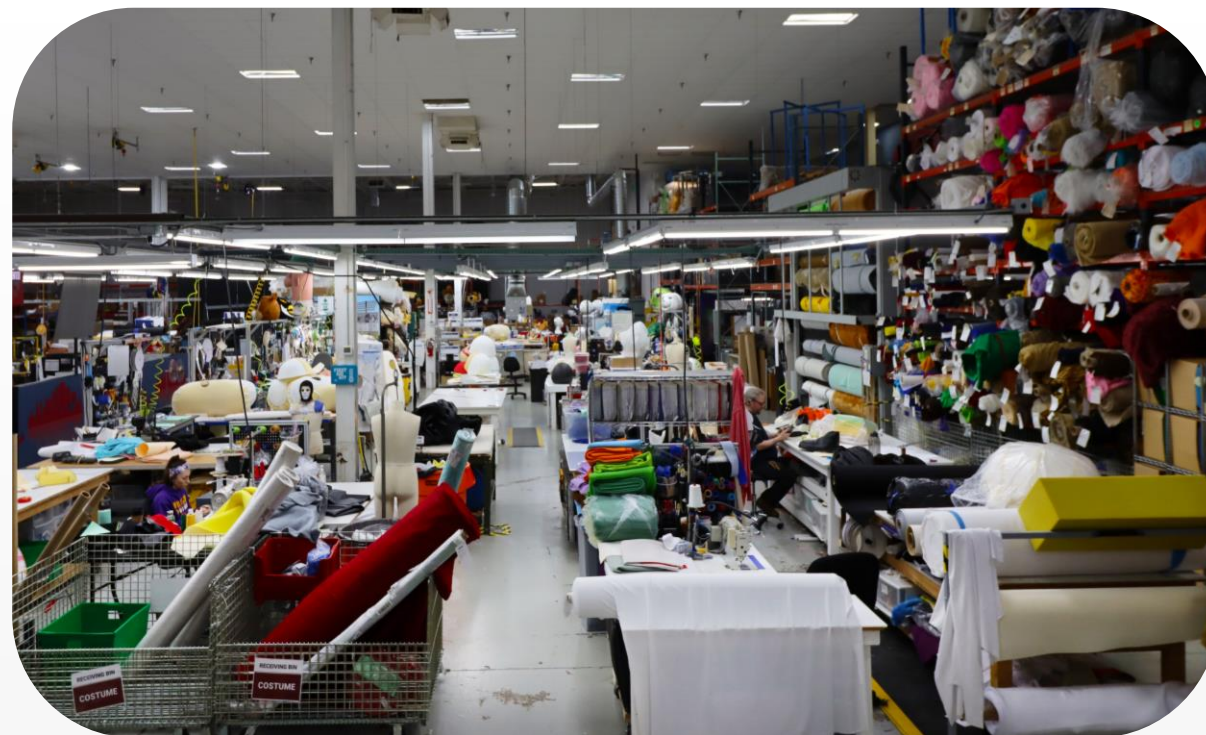

# CRAFTED WITH QUALITY AND CONSISTENCY

- Digital pantone color matching delivers precise brand colors
- ABS plastic vacuum forming ensures identical head shapes
- Programmable laser cutters execute meticulous cuts
- Patterns & logos stored in digital archives for on-demand repeatability
- More information on brand mascot programs can be found [here](#)

# UNRIVALED IN-HOUSE CAPACITY

- Production resources that can create multiple identical replicas of your custom mascot
- Fastest turnaround time in the industry
- 100,000 sq/ft facility designed to support high-volume orders
- 50+ sewing machines and a staff of 230+
- All made in the USA!

# REFURBISHMENT

## AND CLEANING

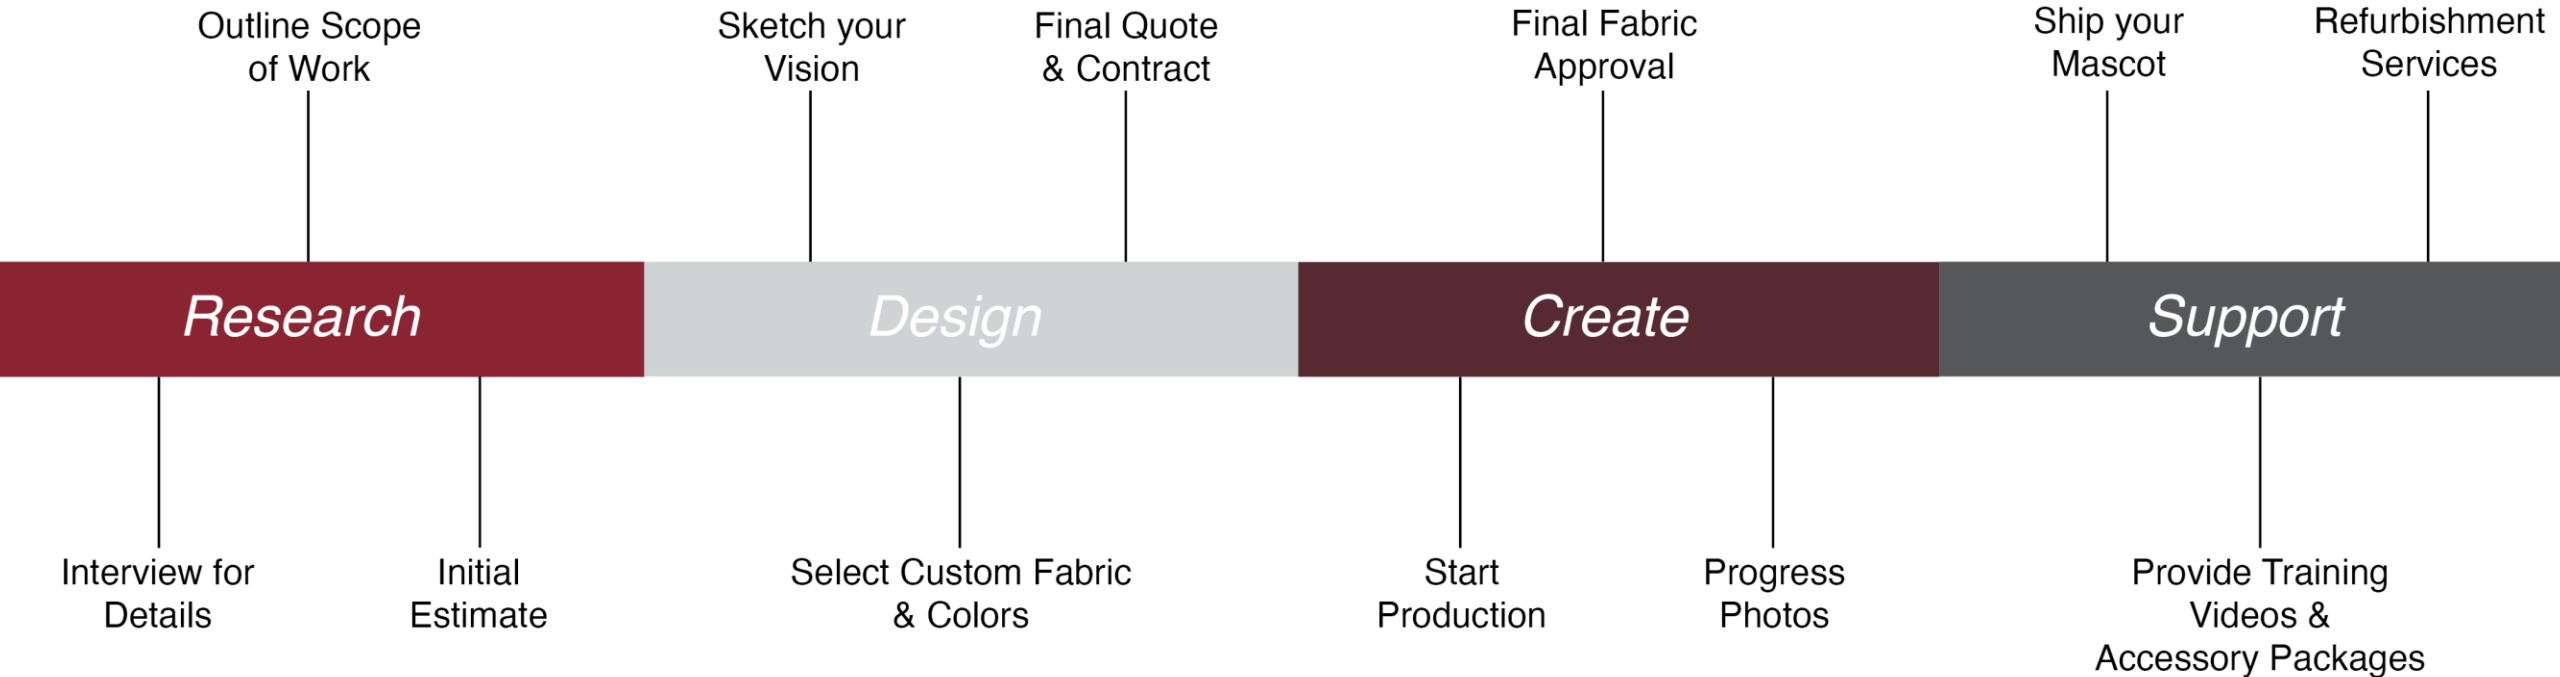

- Provide thorough estimates and à la carte pricing to fit your budget
- All cleaning and repairs are performed in-house
- Refurbishment technicians prioritize cleanliness, spot cleaning, and fur conditioning
- Offer repairs from interior to exterior
- Let us extend your mascot's life! More information on refurbishment [here](#).
