Rockaway Beach, Oregon

30 August, 2016

Mr. Erlebach,

In spite of the unusually long process time involved in satisfying my request for District wage and benefit information, when it was presented to me Mr. Sybouts provided precisely the data I asked for in the exact format I requested. I would like to acknowledge and thank him for that.

Your ultimate handling of the confused situation was much more than fair to me. Thank you.

Sincerely,
