RE: **Recommendation for Award  
Classroom HVAC Improvement – Stevenson High School  
GWA Project No. 6836**

Dear Mrs. Abbey,

We have completed the review of the bids received on March 1, 2012 for the Classroom HVAC improvement project at Stevenson High School, and make recommendations for award of contracts per the attached schedule. The Proposals as bid are within the project budget established in design development. We recommend awarding to the low responsive bidders with complete bid scope.

DTS Contracting LLC. was unable to meet minimum financial criteria and requested their bid be withdrawn from consideration, therefore we recommend Seven Brothers Painting Inc.. as the low responsive bidder for Proposal I Painting.

Gillis Electric, Inc. had a calculation error in their base bid amount and requested their bid be withdrawn from consideration, therefore we recommend Munro Electric Co., Inc as the low responsive bidder for proposal M Electrical.

Enclosed are the bid tabulation sheets, a copy of the complete bid recommendation summary and the project bid / budget summary. If you have any questions, please do not hesitate to contact me.

Very truly yours,

**GEORGE W. AUCH COMPANY**
