ACTION

BACKGROUND INFORMATION:

When stipend payments for the 2014-15 school year were approved in June, we did not list a \$750 stipend that Kim Franks receives each year for being the liaison with Edwards Risk Management for the Employee Wellness Program.

The funds for this stipend are provided by Edwards Risk Management, so there is no cost to the school district.

The \$750 stipend will be paid in equal installments in December and in May.

BOARD ACTION REQUESTED:

We request that the Board approve the \$750 Employee Wellness Program Stipend.
