

## **BPS Activities Board Report March-April 2021**

### **~Sports~**

March 15, first day of Spring Practice for Softball and Track

Softball- 48 students joined

Track- 52 students joined

#### **Softball-**

Softball season is underway where so far the girls have played in the CutBank Jamboree, Conrad, CutBank, Havre, and East Helena. We have no wins yet, but the improvement from the beginning of this season is tremendous. The Lady Indian Softball team is a little inexperienced but their talent makes up for a lot.

#### **Track-**

Track season is underway and scheduled meets were a challenge because of MHSA Guidelines. Their schedules are complete and we have a couple extra scheduled in case the team wants to pick and choose where they would like to compete. So far the track team has competed at Cut Bank twice, Havre, and Libby.

We already have athletes that qualified for the State meet at the end of May- Mr. Jeremy Baukus qualified at the Libby meet and Red Sky Boggs, I believe

#### **Prom-**

Prom was a success this year where the staff pulled together and worked alongside the students and made sure Prom was a success. The day of Prom was a little scary because there were decorations that needed to be fixed and a couple areas needed to be worked on. Thank you to all that helped.
