

Up North Learning Center Board Report

August 13, 2024

- We welcomed students and staff back into the building for our fourth year! This school year started with our back to school conference on August 7th for students to come in and meet their teachers and see their classrooms.
- Staff returned on August 1st with a variety of training including; HR training, Dates and Due Process, Handle with Care, MDE, and mandatory online training .
- This year our enrollment includes 14 students and 1 student returning from residential within the month. We have 5 referrals pending file review and appropriate documentation and availability. We are in the process of scheduling to meet about 2 students in order to generalize them back to their resident district.
- Staffing currently we have 2 certified special education teachers, 4 behavior interventionists, a .6 SEL teacher, .2 School Psych/intern.
