STRENGTHENING DENTON COUNTY'S EARLY CHILDHOOD RESOURCES

The Early Childhood Summit - October 8th, 2016

Save the Date! The Early Childhood Coalition is set to sponsor the Early Childhood Summit on October 8th, 2016. The goal of the summit is to bring together community leaders who have a direct impact on children's lives to start the discussion around early childhood. The summit will focus on key content areas such as education, hunger & food insecurity, health, safety, and social services. Our hope is that at the conclusion of the summit, our coalition will have a more targeted goal for effecting change in our community.
