**Funding Source and Contract Amount:**

This MOA is funded through the Title VI-B Special Education grant and the NSBSD General Fund. This MOA will fund up to 44 contractor days (an increase in 4 days from FY23) at a daily rate of \$675.00 per day (no increase in daily rate) and this MOA may not to exceed \$29,700.00. Travel for Ms. Flynn has been estimated up to \$6,000.00 (a \$2,000.00 increase from FY23) with a maximum MOA amount not to exceed \$35,700.00. No NSBSD employee benefits are associated with this MOA.

**Grand Funding:**

This MOA is funded through the Title VI-B Special Education grant (285. 200.220.000.410) and the NSBSD general fund (100.200.220.000.410).

**Compliance with BP 3311:**

Ms. Flynn is an Alaska licensed occupational therapist working for a daily rate of \$675.00 (same as FY23) per day. This rate is within the acceptable range of rates paid across the state of Alaska (neighboring school district rate is \$675.00-\$725.00/day). In support of the approval of a sole-source MOA, this contractor is an Alaska itinerant occupational therapist and will require minimal training and a minimal adjustment period to provide occupational therapy services to our students. Ms. Flynn’s will provide continuity of services, familiarity for students and parents, continuity of practice, proactive planning, continued development of remote occupational therapy services, and on-going compliance with NSBSD special education processes.

**Available Budget:**

The respective contract and related services are temporarily being encumbered under the School District Main Operating Fund Budget Code 100.200.220.000.410. Historically, such contractual obligations were encumbered through Grant Funding specifically within 285.200.220.000.410. Currently, there are no Grant Awards and no available budget for the corresponding contract to be encumbered to such Special Revenue Fund. It is expected that the District will continue to receive a Grant Award for such Program Services for FY2023, in which at that time the identified encumbrance can be transferred over to the respective Special Revenue Fund and alleviate the encumbrance from the School District Main Operating Fund.

**Proposed Motion:**

“I move that the NSBSD Board of Education approve the above \$10,000 and greater proposal for *Lauren Flynn Occupational Therapy Services* (Lauren Flynn, occupational therapist) in the amount not to exceed \$35,700, as described in this memo and attachments.”
