## The Viking

"Feel the Byrne"

### Notes from the Office

Well, the end of the school year is upon us, so we'd like to take this time to remind all our families to have your student check the lost & found for any items, and that June 14th is the last business day of the office. Have a great summer! -The Office Staff

### The Book Shelf

LBMS Library  
News

Viking families,  
We are rapidly approaching the end of the 23-24 school year, and with that I am asking for your help to ensure your student(s) has all their library business taken care of, i.e. books turned in, lost book fees paid for, refunds claimed, etc. by June 5th. I hope everyone has a great summer and I'll see you in late August.  
Mr. Jeff

**Tickets at the door** Adults - \$10  
Children (6 and older) - \$6

## WHAT IS LEADERSHIP ACADEMY?

Leadership Academy is LBMS's four week summer program

- LB school culture. Live the core values of being EPIC (Excellence, Perseverance, Integrity, and compassion).
- Hands on learning. math and science will come to life for students as they build what they are being taught.
- Extra practice mastering the hardest math and ELA skills.
- If interested in Battle of the Books, we will buy next year's books so you can start reading over the summer. Our OBOB teams plan on going to the state championships this year!

## WHO CAN GO TO LEADERSHIP ACADEMY?

All incoming 5th graders through 8th graders. A student does not need to attend every day or week (will take every student as often as we can get them).

This is especially beneficial for incoming 5th graders to meet new friends, some of the teachers, and learn the culture of LBMS.

LBMS 6 - 8th graders will continue to live our core values of being EPIC and be examples to new students.

## WHEN IS LEADERSHIP ACADEMY?

Monday - Thursday 8:00am - 12:30  
June 17 - 20 Thursday field trip to Caveman Bowl  
June 24 - 27 Thursday field trip to movie theater  
July 1 - 4 **NO LEADERSHIP ACADEMY**  
July 8 - 11 Thursday field trip to jet boats  
July 15 - 18 Thursday field trip to Oregon coast

Busing is available as well as breakfast and lunch.

Basketball or Volleyball also have camps available at the conclusion of Leadership Academy every day.

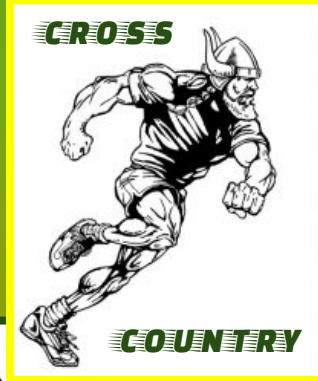

## WHY WE NEED YOU.

Leadership Academy only benefits the students who attend. We want this year to be the most successful Academy ever and can't do it without you.

We want to build a plan for each student that attends Leadership Academy to make sure they get the support or challenge that each student needs to be most successful in their education.
