Good writers have always gone back to revise their work. Be inspired!
1. First, read your own writing through a "Stranger's eyes"
2. Revise with a partner.

### File Management

Files get saved to the Download folder by default. You can rearrange the documents in this folder by moving files, copying files, or creating folders. To **save** a file, begin by clicking on *Save As* or *Export as PDF* from the Whiteboard menu. Then click on the Download folder. Next, give the file a name and choose *Save*.

To **move** files, go to the *Files* app in the Locker, select the file you want to move by clicking on it once, then choose *Move To* from the menu in the top right.
