Action

BACKGROUND INFORMATION:

In keeping with the BISSD strategic plan to expand innovative learning opportunities, the district seeks to implement a Tuition-Based, Full-Day and Pre-Kindergarten Program—representing another historic first in Beeville ISD. Expanding Pre-K through tuition-based enrollment is a standard practice across the State and will allow Beeville ISD to provide expanded opportunities for additional students to begin working with highly qualified educators prior to their fifth-birthdays.

Per TEA regulations, enrollment in the Tuition-Based Pre-K Program will only be offered as long as there are sufficient spaces to ensure placement for all eligible, tuition-free students.

RECOMMENDATION:

Approval

BOARD ACTION REQUIRED

I move the Board approve the implementation of a Tuition Based, Full-Day and Pre-Kindergarten Program for 2019-20 School Year.
