

Ector County Independent School District

Milam Elementary Magnet

2021-2022 Campus Improvement Plan

Mission Statement

Mission

The mission of the ECISD Community, a passionate, unified, world class leader in education, is to develop world ready, life-long learners who discover their unique gifts, achieve personal success, and fuel their community by building unified, comprehensive community support and participation that fosters a standard of excellence: serving as advocate and steward for all students; ensuring relevant teaching, engaged learning, and dynamic innovation; and maximizing all available resources.

Parameters

1. We will not compromise excellence.
2. We will model our beliefs.
3. We will work as a team.
4. We will base decisions on what is best for students.
5. We will protect teaching and learning as our priority.
6. We will recognize and reward success and learn from our mistakes.
7. We will succeed regardless of any obstacle.

Objectives

1. All students will acquire academic and personal skills necessary for personal greatness.
2. All students will understand and appreciate the value of learning.
3. All students will invest their unique gifts in their community.
4. All students will be confident, influential leaders who accept responsibility.

Strategies

Strategy #1

We will ensure learning experiences are engaging, challenging, and meaningful.

Strategy #2

We will provide infrastructure to maximize the success of all students.

Strategy #3

We will identify, engage and equip our world class team to accomplish our mission.

Strategy #4

We will establish and sustain an interdependent partnership with parents.

Strategy #5

We will communicate effectively to serve our mission.

Strategy #6

We will model and market our new culture throughout our community to ensure support and participation.

Value Statement

Values

- **Humanity.** We ensure all children feel safe, loved, and valued.
- **Inclusiveness.** We celebrate our community, honoring unique perspectives
- **Perseverance.** We embrace our mistakes and encourage one another to work through challenges; we grow from success and learn from failure.
- **Love of Learning.** We celebrate an environment that actively cultivates a lifelong love of learning.
- **Creativity.** We cultivate a learning environment where ideas come to life and imagination runs wild.
- **Inclusiveness.** We celebrate our community, honoring unique perspectives and ideas of everyone.
- **Accountability.** We take responsibility for our actions and decisions.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Milam Fine Arts Academy is a School of Choice Campus with a focus on the Visual and Performing Arts.

Milam serves students in Pre K through fifth grade. On each grade level there are three monolingual and one bilingual classroom. All students Pre K-5th grade students participate in art, drama, piano, general music, physical education/dance, and library. Students stay for an additional hour to focus on performing arts classes based on student selection. Milam has a teacher certified in gifted and talented education on campus to work with GT identified students at Milam. In addition all teachers have had their initial 30 hours of GT training and receive their 6 hour update each year.

Milam is a school-wide Title 1 school that had 616 students at the end of the 2020-2021 school year. The enrollment went up from 584 due to the addition of a monolingual and bilingual Pre K class from the previous school year. Enrollment data indicates 24.3% English Language Learners, 11.2% identified gifted and talented, 52.74% considered at-risk, 7.1% served through special education, 6.4% served through dyslexia, 8.96% homeless, and 51% economically disadvantaged students.

In 2020-2021, Milam had 252 male students and 361 female students.

The attendance rate for Milam was 96.69% for 2020-2021 which is up from 96.3% in 2019-2020. Milam staff put forth significant efforts to increase the campus attendance rate. There was a weekly incentive for the top attendance class on each grade level in addition to the top weekly attendance for the school. Students that received perfect attendance were recognized in a ceremony each 9 weeks and received a spirit stick and certificate for this accomplishment. Social media and Class Dojo were used to keep families informed of attendance goals and progress. Parents were contacted for every absence. Teachers entered attendance contacts in Eduphoria after 3 absences and administrators contacted parents at the seventh absence and sent home an attendance contract. As a result of these efforts, attendance improved by .39%.

Milam Staff

The Principal and Assistant Principal are both returning to Milam for the 2021-2022. This is the Principals 9th year at Milam and the Assistant Principals 3rd year at Milam. Milam will also have a Principal Fellow during the 2021-2022 school year. As of August 4, 2021, there are no vacancies at Milam. At Milam all students will be taught by highly qualified teachers and instructional paraprofessionals.

Demographics Strengths

1. Student attendance increased from 96.3% to 96.69%.
2. Same administrators are returning for the 2019-2020, 2020-2021, and 2021-2022 school year.
3. There are no vacancies at Milam. At Milam all students will be taught by highly qualified teachers and instructional paraprofessionals.
4. 66.1% of teacher experience is between 6-20 plus years.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Loss of 12 veteran staff members. **Root Cause:** Promotion to another district position (7 teachers-1 MCL position, 1 reading specialist, 2 Dyslexia Interventionist, 1 Instructional Specialist, 1 district instructional specialist, 1 Pre K specialist), retirement (4 teachers), and moving states (1 teacher).

Problem Statement 2: Nine teachers with

Student Learning

Student Learning Summary

Milam Fine Arts Academy was rated a C campus in 2018-19. Due to COVID-19, there was not state testing in 2020 and all campuses were labeled *Not Rated: Declared State of Disaster* for 2020. The Texas Education Agency paused A-F ratings for the 2020-21 school year due to the ongoing disruptions associated with COVID-19. Therefore, Milam will enter the 2021-22 school year under the *Identification for targeted support and improvement* due to the "C" rating in 2018-19.

Data below is from the Texas Education Agency (TEA) *School Report Card from 2018-2019*.

Overall Score/Rating = 74/C

Student Achievement Domain 1 = 70/C

School Progress Domain 2= 75/C

Closing the Gaps Domain 3 = 73/C

Distinction designations were not awarded in 2021.

MATH STUDENT GROWTH

FALL 2020 MAP - SPRING 2021 MAP

The chart below shows the amount of student growth made for each grade level as a whole. The diamond on the bar graph indicates projected growth from fall to spring. The bar

on the graph shows actual growth. In the column labeled "Percent Met Projection," this percentage shows the proportion of the overall RIT growth projections achieved by the group of students. 100% indicates that, as a group, the students' growth was equal to the growth projection. This can be considered an average performance. The grade levels with the highest percentage of students who met projection are third grade, fourth grade, and fifth grade.

The School Conditional Growth Index enables the comparison of growth between grade levels. This measurement correlates students' growth with the growth patterns of matching peers within the NWEA norms study (same grade, starting RIT score, and Weeks of Instruction before testing). A value of zero (0) corresponds to the mean (typical) growth, indicating that growth exactly matched projections. Values above zero indicate growth that exceeded projections, and values below zero indicate growth below projections. 5th grade students grew at the expected rate and finished the year in the 67th growth percentile. Third and fourth grade grew tremendous amounts and were above the 90th percentile for growth. Kindergarten, 1st grade, and 2nd grade fell well below projections and had a negative growth index.

The Percentile column under "Fall 2020" and "Spring 2020" shows the percentage ranking of the achievement reached for the given term, shown in **bold** (+/- standard error). It compares similar students in NWEA's norms study, not a comparison to classmates. It also incorporates the weeks of instruction before testing, as set in the MAP preferences. Comparing the fall 2020 percentile to the spring 2020 percentile, grade levels 1-4 all showed significant increases. Kindergarten dropped 11 percentile points from 82% to 71%, 1st grade dropped 16 percentile points from 69% to 53%, and 2nd grade dropped 8 points from 58% to 50%. Third grade increased 10 percentile points from 24% to the 34% percentile at the end of the year. Fourth increased 11 percentile points from 24% to the 35% percentile at the end of the year. Fifth grade increased 2 percentile points from 23% to the 25% percentile at the end of the year.

READING STUDENT GROWTH

FALL 2020 MAP - SPRING 2021 MAP

The chart below shows the amount of student growth made for each grade level as a whole. The diamond on the bar graph indicates projected growth from fall to spring. The bar on the graph shows actual growth. In the column labeled "Percent Met Projection," this percentage shows the proportion of the overall RIT growth projections achieved by the group of students. 100% indicates that, as a group, the students' growth was equal to the growth projection. This can be considered an average performance. The grade levels with the highest percentage of students who almost met growth projections are 3rd grade and 4th grade, but they did not meet grade-level norms projected growth.

The School Conditional Growth Index enables the comparison of growth between grade levels. This measurement correlates students' growth with the growth patterns of matching peers within the NWEA norms study (same grade, starting RIT score, and Weeks of Instruction before testing). A value of zero (0) corresponds to the mean (typical) growth, indicating that growth exactly matched projections. Values above zero indicate growth that exceeded projections, and values below zero indicate growth below projections. Both kindergarten and first grade have negative school conditional growth index scores. Kindergarten (3%), 1st grade (1%), 2nd grade (34%), 3rd grade (26%), 4th grade (26%), and 5th grade (1%) fell well below projections and had a negative growth index.

The Percentile column under "Fall 2020" and "Spring 2020" shows the percentage ranking of the achievement reached for the given term, shown in **bold** (+/- standard error). It compares similar students in NWEA's norms study, not a comparison to classmates. It also incorporates the weeks of instruction before testing, as set in the MAP preferences. Comparing the fall 2020 percentile to the spring 2021 percentile, all grade levels showed significant decreases. Kindergarten dropped 14%, 1st grade dropped 33%, 2nd grade dropped 22%, 3rd grade dropped 3%, 4th grade dropped 3%, and 5th grade dropped 14 points 21 percentile points from 64 to 43. Kindergarten and 3rd grade are the only grade levels above the 50th percentile in reading.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: STAAR scores do not correlate to short -cycle assessments and released test data.

Problem Statement 2: Students' classroom grades do not correlate with STAAR scores. **Root Cause:** The rigor of Tier I instruction is not aligned to the rigor of the TEKS and the STAAR test.

Problem Statement 3: A low percentage of students are achieving the meets and masters categories in reading, math, and science. **Root Cause:** Lack of rigorous Tier I instruction.

Problem Statement 4: 5th-grade science scores dropped in all three performance standards from 2019 to 2021. **Root Cause:** Lack of hands-on labs for students to internalize learning were used due to COVID.

Priority Problem Statements

Goals

Goal 1: Foundational Excellence: Milam will create an agile, forward-thinking organization that operates with excellence today, while continuously researching and innovating tomorrow's practices.

Performance Objective 1: Annual student attendance will increase from 96.8% in 2021 to 98.8% in 2022.

Targeted or ESF High Priority

Love the school! One of the main reasons we remain in Odessa. The faculty and staff are amazing, and its a shame that Milam isn't a Pre-K through 8th or 12th school! Amazing! And thank you all, for all that you do!

My child had Mrs Stutes this year and I would like to commend her for her patience of both my child my child's parent. She was constant in her efforts for the students to progress and succeed especially when we had to quarantine at home.

Additionally, my hats off to the entire faculty and staff not just during Covid-19 but throughout the year. The teachers know the students and it shows through the established relationships that all students are cared off

Finally special kudos to Mrs Fitzgerald. Her leadership is amazing. She stays in communication through duo and always responded timely to any and all questions and comments. Thank you for modeling excellence.

Una excelente institución

Siento agradecimiento y gran respeto a los maestros que siempre se ocupan de que los hijos den lo mejor de ellos

No

On the progress question is 1 bad or good? You don't say. Some of the teachers are nice, while others are mean and vindictive.

It's been a strange year. Hopefully next year will be better.

Me encanta esta escuela

We love Milam! We're blessed to be part of this school family!!
