

## SCHOOL BOARD MEETING REPORT

Board Meeting Date: \_\_\_\_\_ Superintendent: Dave Valenzuela

Administrator/Staff: Tim Sam

Type of Item:  Informational  Action

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

I am currently serving on the National Interscholastic Athletic Administrators Association (NIAAA) executive board as the Section 8 representative (Oregon, Washington, Idaho, Montana, Wyoming, Alaska). Section 8 meets twice a year, once during one of the states' in the section's state conference, and once in December at the National Athletic Directors Conference. I lead these two meetings. The meetings include discussions on current events in athletics at the state, regional and national level, including best practices, legal requirements, safety measures, etc. I am requesting out of state travel to Kennewick WA for the annual Section 8 meeting, which I lead, as well as the Washington State AD conference. All costs to be covered by the NIAAA and OADA, no expenses to TRSD

**Provide history/background information on your proposal:**

Superintendent Valenzuela and Principal Namanny have previously approved my involvement on the NIAAA board, including the live meetings in December and February and Section meetings in the Spring.

**List the advantages of your proposal:**

Being on the NIAAA Executive Board allows me to be at the front of the latest training, with national recognized leaders, including in sports law, Title IX, sports safety, leadership, mentoring and training. All of these areas will assist in a higher quality program at North Valley High School and give me information that will be disseminated to the other secondary schools in TRSD

**List possible disadvantages of your proposal:**

The only disadvantage is my time out of the building. Athletic events will be covered.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

None available...

Superintendent's recommendation(s): **Approve:** Yes  No
