

Consider to approval to update to CH (Local) Purchasing and Acquisition.

1. Background:

The districts current policy requires board approval for any single, budgeted purchase of goods and services that costs \$50,000 or more. Recent changes to procurement law have pushed that threshold to \$100,000. The district is recommending alignment between procurement law and board approval at the threshold of \$100,000.

2. Process:

The District shall develop purchasing procedures that align with state and federal law.

3. Fiscal Impact:

N/A.

4. Recommendation:

That the Board approve increasing the purchasing authority threshold from \$50,000 to \$100,000 to align with state and federal procurement laws.

5. Required:

Board action.
