

Student Activities Board Report

April 11, 2017

Track

We have 52 plus athletes out for track. Our track athletes have competed in 1 track meet in Cut Bank. The track meet was a time trial, athletes competed in the different events and competed very well. Coach Miller and staff were very pleased with the performance of the athletes. The second and third track meets will be held Saturday April 8, 2017 at Havre and Tuesday April 11, 2017 at Kalispell.

Softball

We have 33 girls out for softball. The softball team has played 5 games thus far in their season. Coach Vaile and staff are working very hard coaching the fundamentals. They played their first game at Cut Bank ended up losing the game, but in the 7th inning the team was able to score 9 runs and cut the lead in half. It was very impressive in watching the kids compete and make a rally like that. The softball field has been prepared by the BHS maintenance department and is ready for the season.
