

A woman wearing a high-visibility yellow and green safety vest is smiling and high-fiving two young girls on a school bus. The girl on the left has a large blue backpack with yellow polka dots. The girl on the right is also high-fiving her. The scene is set inside a school bus with windows and seats visible.

FIRST VIEW FOR PARENTS AND CAREGIVERS

First View tracking platform

The game-changing platform for real-time vehicle GPS tracking and student transportation monitoring.

For K-12 parents and caregivers, we understand the importance of a stress-free school commute. First View, our easy-to-use GPS-based vehicle tracking app, allows you to plan your day and stay connected with your student's trips, regardless of the type of vehicle your student travels in.

We currently have 2,112 parents registered and using this app.

PLUGGED IN. POWERED UP. ROLLING FORWARD.

- We're excited to announce that three more electric vehicles are officially joining our fleet. This marks a major step toward smarter operations, lower emissions, and a cleaner future. The road ahead just got a lot quieter — and a lot greener.

COMMUNITY ENGAGEMENT & LOCAL PARTNERSHIPS

Community Engagement

Supporting Families in Our Community – SnowCap Holiday Program

- Hosted food and clothing drives at our bus lot
- Donated collected items to support local families in need
- Helped provide food assistance during the holiday season

Strengthening Public Safety Partnerships - Adopt-a-Cop Program – Gresham Police Department

- Proudly adopted Captain Lewis and Officer Diego
- Hosted breakfast with our officers and drivers
- Created opportunities for connection between transportation staff and local law enforcement

Looking Ahead

We are always seeking new ways to connect, support, and serve our community beyond transportation.

THANK YOU!!
