Dear Superintendent and President of the Board of Trustees:

This is to inform you that Uplift Education intends to submit amendment requests to the Commissioner of Education in connection with the consolidation of the charters held by Uplift Education. Specifically, these amendment requests seek to amend the Uplift Education – North Hills Preparatory charter (CDN# 057803) (“North Hills Charter”) to allow for the consolidation of campuses under the four other charters operated by Uplift Education into the surviving North Hills Charter. These amendment requests are not adding new sites or campuses, but will essentially move those existing sites and campuses to the North Hills Charter. The Uplift Education charters to be consolidated into the North Hills Charter are the Peak charter (CDN#057838), Hampton charter (CDN#057843), Williams charter (CDN#057842) and Summit International charter (CDN#220816).

As part of the amendment process, charter schools are required to notify any districts that may be affected by the change. The enclosed Statement of Impact form indicates the type of amendment requests being made. Please note that the statement of impact is primarily a formality because no new sites or campuses will be added as a result of the consolidation of Uplift Education.

Specifically, TEA guidelines require that the Statement of Impact form be sent to each district that may be affected. Information is requested if the proposed change may adversely impact a district financially or if the proposed change may impact the student enrollment of a district in a manner that impairs the district’s ability to comply with a court order. The enclosed form may be completed by any district that may be affected, signed by the district’s board president and superintendent, and returned to the Texas Education Agency, Charter Schools Division, 1701 N. Congress Ave., Austin, Texas 78701-1494.

Please review the enclosed form and notify the TEA if your district will be impacted by this request.

Sincerely,
