District Strategies (Check all that apply):

- Students and staff will thrive in a secure environment, build connections and community, and become resilient leaders.
- Each student will engage in world-class learning experiences that foster curiosity, develop talents, guide exploration, and fuel achievement.
- We will cultivate innovation through strategic collaboration and responsive organizational stewardship.

Subject:

PTECH Progress Update

Background:

The new P-TECH (Pathways in Technology Early College High School) initiative is designed to empower students by combining high school, college, and workplace experience. Our presentation will highlight the program's structure and steps for our implementation and collaboration with San Jac College and industry partners. Together, we are creating world-class learning experiences that foster curiosity, develop talents, guide exploration, and fuel achievement.
