Action   x  

Item: KEC Oakleigh boiler and loop pump replacement

Submitted by: Russell Bray

Date:   5/29/25  

Recommended by: Kevin Philipps *KP*

Board Meeting Date:   6/16/25  

---

---

### RECOMMENDATION:

It is recommended that the Kent ISD School Board approve the purchase and installation of a new boiler and pumps by A&B Mechanical Contractors for \$75,220. It is recommended that the board approve a 10% contingency to account for unforeseen circumstances, minor scope change, and material/supplier changes for a total of \$82,742.

<u>Vendor</u>	<u>Base Bid</u>
A&B Mechanical Contractors	\$75,220.00
Van Dyken Mechanical	\$91,620.00
Mark of the Z Heating	\$93,060.00
Advantage Mechanical Refrigeration	\$105,500.00

### BACKGROUND:

The boiler and heating loop pumps have exceeded life expectancy and are due for replacement. Part of the replacement of both the boiler and pumps is to upgrade to newer more efficient models. This work will be paid for utilizing center programs capital outlay funds.
