

BOARD OF SCHOOL TRUSTEES

KELLER INDEPENDENT SCHOOL DISTRICT

11A. Work Session/Discussion

Date: June 16, 2008

SUBJECT: CAMPUS IMPROVEMENT PLAN CELEBRATION CAROUSEL

BOARD GOAL: All systems in the Keller Independent School District will be effective, efficient, and accountable in support of the district's mission.

All students will achieve educational excellence.

FISCAL NOTE: No Financial Impact

Background Information:

- The Campus Planning Carousel is an event which gives the Board an opportunity to hear about the goals and key activities related to each campus improvement plan.
- The initial carousel event took place in the fall of 2007.
- Due to the positive outcomes of the fall event, we have decided this event will take place twice a year. The fall event will be for goal sharing and the end of year event will be to celebrate successful achievement of the goals.

Administrative Considerations:

- Principals will share with their assigned Board member a summary of what they successfully completed on their Campus Improvement Plan and the improvements they have seen as a result of these activities.
- Each Board Member will be provided with the Campus Improvement Plan summary for each of their assigned campuses.
