Athletic Department Board Report- 4/10

Spring sports are underway and we are looking forward to a great season. We had one concern for this spring which was our MS baseball teams playing on the Bertha Neal fields that are currently unplayable. Our maintenance and grounds department are working hard to get those field up to speed but in the meantime Optimist Park is going to allow us to play our MS baseball games on their East Field until those fields are ready at Bertha Neal.

After conversations with some of our coaches and our Athletics Committee, The Athletic Department is looking to move forward with an apparel/equipment/uniform partnership agreement with Game One. This would make our Athletic programs more uniform and consistent as far as colors and logos go. They provide us with large product discounts and we receive rebates based on our spend amount each year. This is no cost to us other than ordering through Game One exclusively for Equipment, Uniforms, apparel. We have worked with Game One for a few of our programs already and have been very pleased.

Coach Vacancies:

Currently the only coaching jobs open are Varsity Boys Bowling and JV Boys Basketball. Both jobs are posted and we have candidates that have applied already.
