**Resolution 2017-03**

**WHEREAS**, the Southeast Island School District (SISD) is continually striving to upgrade the quality and efficiency of the District's facilities; AND

**WHEREAS**, the Energy Efficiency Kickstarter Competitive Award, if awarded, would provide up to \$10,000 in funding for this project; AND

**WHEREAS**, any reductions in utility bills that results from installation of these lights could be used for other purposes, such as instruction of students.

**NOW, THEREFORE, BE IT RESOLVED:** The Southeast Island School Board of Education authorizes the Southeast Island School District Administration, through Superintendent Lauren Burch, to apply for the Energy Efficiency Kickstarter Competitive Award from the Alaska Housing Finance Corporation.

**ADOPTED** October 26, 2016 at a duly convened meeting of the Southeast Island School District Board of Education at which a quorum was present and voting.
