

## Volleyball End of Year Report – 2024 Season

The Brownwood Lady Lion Volleyball program completed the 2024 season 13-23 overall and 0-10 in district play. Although this is not the outcome we had hoped for this season, the record did not demonstrate the growth in the program. We learned a lot and have high expectations for this coming season. We grew in numbers greatly. We had 36 athletes in the program last season and we grew to a total of 48 this season with 4 total teams.

14 Varsity players, 12 JV White, 10 JV Maroon, and 9 JV Black with 2 injured players and 1 manager.

## **Tennis Report from 2024-25**

Last year's Fall Team Tennis season was tough. Brownwood finished 4th, but we are the senior-heavy team in the district this year. We have a solid senior group on the Girls' side and a strong upperclassmen core, so I'm excited to see them in action. In the Spring Individual Season, we represented well at tournaments, but again fell short at the district tournament to more experienced players. However, Ashlyn Bundick and Lanie Johnson placed 2nd in Girls Doubles and advanced to the Regional Tennis Tournament. I know all of the returning Varsity players are motivated to make up for some missed opportunities.

At the middle school, Brownwood Tennis has record enrollment in 7th Grade Team Tennis for the 25-26 school year. With the addition of a very talented incoming 8th Grade team, this is very encouraging for the program in the near future.

We have also added a very important component to any athletic program: the assistant coach. Casey Shannon, a 2015 Brownwood graduate and former Varsity tennis player, will take on that role this year.

## **Basketball Girls**

# **Brownwood Lady Lion Softball 2025**

## **End Of Year Report**

Varsity - The Brownwood Lady Lion Softball program finished off the year 19-13 overall and 5-5 in district. The Lady Lions finished District 6-4A in 2nd place and earned the number one, big school seed. In Bi-District Playoffs, the Lady Lions swept the San Angelo Lakeview Maidens (12-15) by beating them 12-0 in the first game and 9-4 in the second. Brownwood remained undefeated in the playoffs during the Area round. The Lady Lions swept the Decatur Lady Eagles (13-10) with a 7-5 and 12-8 victory that sent them to the Regional Semi-Final round. In the third round of playoffs, the Lady Lions found themselves out matched by the Dumas Demonettes (34-7) who ended their playoff run. This is the deepest post-district run Brownwood Lady Lions have had since 2016.

JV - Our Junior Varsity had 15 players this season and finished with a record of 6-10. The majority of the team was made up of girls who have never played softball or players who haven't played since they were little. This group of girls were eager to be a part of the Lady Lion Program, and they showed this eagerness whenever they took the field. These ladies received countless compliments over their energy, their teamwork, and their enthusiasm for both the sport and their program. As a coaching staff, we were in awe of how much fun and growth they brought to this program.

The softball program started off the year with 28 athletes and finished the year with 27 athletes (we lost one to failing grades.)
