Recommendation(s):

It is our recommendation that the Board approves the administration issuing regular teacher contracts to eligible teachers for the 2025-2026 school year.

Purpose:

Issuance of regular teacher contracts to eligible teachers.

Background:

The contract process is a routine process that the School District must follow each year, and is subject to state law. Contracts must be signed by the teacher and returned to the appropriate administrator's office by the due date listed on the contract. Failure to do so will void the contract.
