Dear Thidaluck Le and Family,

On behalf of Intermediate School District 917, we extend our sincere gratitude for your generous donation of a **Freedom Concepts Discovery Bike** to our district's physical therapy department.

This specialized equipment will provide our students with meaningful opportunities to experience physical, social, and mental health benefits. The Discovery Bike will help students improve their strength, balance, endurance, and posture while also giving them the opportunity to experience a sense of freedom, build confidence, and, most importantly, have fun!

We are incredibly grateful to your family for this thoughtful contribution. Your generosity will have a positive and lasting impact on the students we serve and will provide opportunities for them to participate, grow, and experience the joy of movement.

Thank you, Tiano and Thidaluck, for your kindness and generous support of the students of Intermediate School District 917.

Sincerely,

A handwritten signature in cursive script, appearing to read "Melissa Schaller".
