

Board of Trustee Meeting Agenda Item

May 11, 2026

TISD Board of Trustees – Request for Consideration Purchases over \$50K.

Agenda Item:

Approval of Awarded Vendors for District-Wide New Fencing, Installation, and Repair

Background Information:

Temple ISD anticipates ongoing needs for the installation of new fencing, as well as repair and replacement of existing fencing across District facilities. These improvements support the District’s continued efforts to enhance campus safety and security and ensure compliance with applicable safety standards.

The District expects expenditures for fencing installation and repair services to exceed \$100,000 within a twelve-month period, which requires the services to be procured through a competitive solicitation process in accordance with applicable procurement regulations.

Temple ISD issued a competitive solicitation for District-wide New Fencing, Installation, and Repair Services. Proposals were received and evaluated based on the criteria outlined in the solicitation.

Two local vendors submitted responsive proposals and met the District’s requirements:

- Centex Fence & Deck, LLC
- Encore Fence Company

Both vendors demonstrated the capability, experience, and capacity to provide fencing installation and repair services throughout the District.

Awarding contracts to multiple vendors will allow Temple ISD to:

- Ensure timely response for fencing repairs and installations.
- Provide flexibility to address multiple projects simultaneously.
- Maintain competitive pricing for future work.
- Support local vendors serving the community.

Administration Recommendation:

Administration recommends that the Board of Trustees approve the award of contracts for District-Wide New Fencing, Installation, and Repair Services to Centex Fence & Deck, LLC and Encore Fence Company.
