HAPPY  
SUMMER

Greetings LBMS Families

Well, it's almost that time again. People are starting to count down the days until school's out for the Summer, and we here at LBMS are thinking of our year end activities. It is a fun time of year for us and we are excited to reach the end. Students are just now finishing up on all of the year end testing and look forward to the last days of school field trips, field days, and saying goodbye to friends for the season.

Students are also working very hard to stay on task and not get into trouble, knowing that the end of school activities are a privilege. Students who receive a detention or suspension at this time of year are in danger of missing out on activities. Students need to be reminded to do their best to be on task in the classrooms, and not call negative attention to themselves by making poor choices.

With the warmer weather recently sometimes students forget the dress standards that shorts and skirts that are too short are not allowed at LBMS. The same can be said about showing bare midriffs, spaghetti strap or razor backed tank tops, and anything showing undergarments. Please check your middle schooler's dress before having them leave the house.

To the left are a list of dates to remember as the school year comes to a completion. As always, if you have questions please call us and we will be glad to help answer.

We look forward to seeing you in the days to come.

Sincerely,

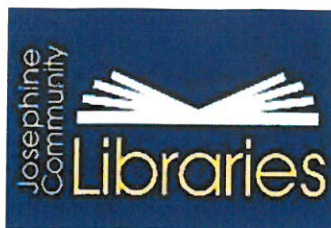

Scott Polen

## **SYNERVOICE**

Synervoice is used to send out important messages about school closures and school events. When you get an automated call from LBMS using this program, it is important to say "Hello" as this triggers the message to start. If you have voicemail, it will leave a message. Please listen to the message in its entirety, then call the school for any unanswered questions.

If you have an email registered with the school, we will often send emails as well. Synervoice is also used for attendance calls. If your student has been marked absent in any class, the system will call you to make you aware of this absence. Please listen to the message in its entirety before calling the school.

FROM THE OFFICE STAFF

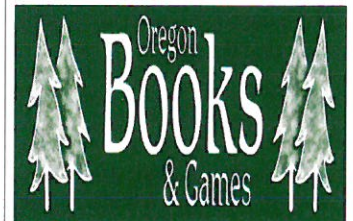

Please remember that the cut-off time for changing after school plans is 1:30 p.m.

While we realize that this is sometimes unavoidable, whenever possible please talk over plans with your student before school and provide them with a bus note if needed. Thank you.

AFTER SCHOOL TUTORING

Every Tuesday and Thursday after school, students have the opportunity to have one-on-one help with their school work from one of our awesome LBMS teachers. Call the school for more info.
