**Re: Integrated Pest Management Coordinator**

Texas law requires each school district to have a trained and designated Integrated Pest Management (IPM) Coordinator. Board Policy CLB (Legal) requires the appointment of a designated IPM Coordinator that has successfully completed the Texas Department of Agriculture training and certification.

Mr. Mark Rash, Assistant Maintenance Director, has completed all state required training and certification.

**Recommendation:** That the Coppel ISD Board of Trustees approve Mark Rash as the Coppel ISD designated Integrated Pest Management Coordinator at the August 25, 2014, Board Meeting.
