December Newsletter

Neah Kah Nie Middle School

From the Principal

Dear Parents and Families,

It is hard to believe that we have completed trimester 1. Trimester 1 report cards were mailed out last week. As a reminder, students who earn a GPA of 3.5 or greater, participate in 7 hours or more of community service each trimester, and have regular attendance will earn Honor Roll status. These students will be recognized at an assembly and receive an award. Students who earn Honor Roll all three trimesters will have the opportunity to go on a special field trip at the end of the year.

We ended this trimester with a Winter Wonderland dance for students in the 7-8 grades. The dance was a huge success. Students enjoyed the opportunity to purchase snacks and pizza while they rested from dancing. The planning for the dance was done by our Leadership class, run by Mrs. Wiley. The students did an amazing job planning every detail. There will be another dance in trimester 2...stay tuned for details.

I would like to wish all of you a restful winter break and happy holidays. This is the season of giving, festivity, and family. Please enjoy your time with family and friends, and I will see you next year!

Sincerely,

Lori Dilbeck

Family Resources

With the Holiday Season approaching it can be a stressful time for some. We would like to let you know there are many places in the community that offer Christmas baskets for families. If you or someone you know could use a little extra help this Holiday, please contact Jen Hopkins, Family Resource Coordinator, at (503) 355-3607.

Important Information:

- Lost & Found- Please have your child check the lost and found by Friday, the 16th. This will be the last day before things are donated.
- Winter Break! No school from December 17th-January 2, 2023. School resumes January 3rd.
- Immunizations

Immunization Exclusions

Letters regarding immunizations have been mailed out. If you receive a letter, your son or daughter is more than likely due for a vaccine. Please schedule an appointment with your physician as soon as possible. Vaccines must be completed by the exclusion date, February 15, 2023 or your child will not be able to attend school. Medical or non-medical exemptions are available on the Oregon Health Authority website.

Attendance

The Neah-Kah-Nie School District believes that regular school attendance is essential for a student's success in school. Students with strong attendance are more likely to succeed in school and in future employment.

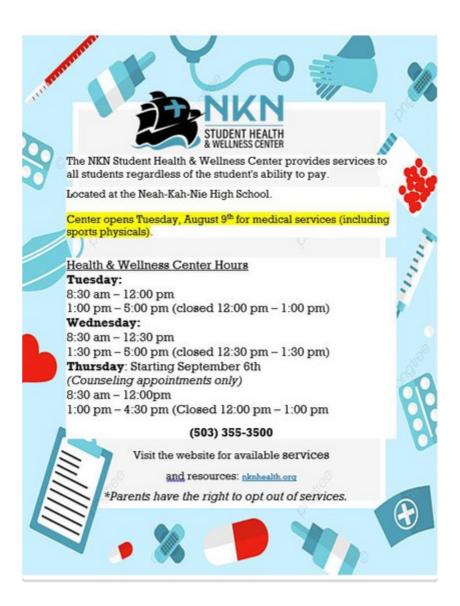

We understand that students need to miss some days of school for health or personal reasons. However, when your student is not in school, they are missing out on learning, valuable instruction time and being a part of our school community. You can help with your child's attendance rate by calling our office if they're home sick or if they have an appointment.
