Phil Baldwin	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the request to establish a K-5 charter school in Little Rock by the IOTA Leadership Academy. The educational model and learnings from operating in Memphis area disadvantaged communities will provide opportunities to similar families in disadvantaged communities in LR.
Dr. Sonja Wright-McMurray	<input type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	
Toyce Newton	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the motion to approve the application.
Freddie Scott	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I voted for the motion to approve the request to open the IOTA Leadership Academy K-5 with an initial launch SY 2025-2026 because of the expressed interests and demonstrated track record and capacity to serve the state of Arkansas in a community in need of exceptional resources to improve academic outcomes. Of interest is for CAP to monitor decisions on facility details and a revised budget to ensure compliance in all areas.
Dr. Tina Moore	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I vote to approve the charter request and accompanying waivers for the IOTA Leadership Academy K-5. Given the mission and demonstrated evidence of incremental outcomes, both qualitative and quantitative, in their previous locations, I find their approach to reach underserved and underresourced communities could benefit the students and families in Southwest Little Rock.
Kim Davis	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I vote to approve the motion to approve the motion to due to high degree of community engagemnt, support services, and a desire to grow into a K-12.
