Dear Parents and Guardians,

Pana CUSD #8 has been diligent about developing a transition plan that takes into account the needs of students and families as we prepare for the 2020-2021 school year. Administrators, teachers, and staff have reviewed the "Transition Joint Guidance" document that was put out by the Illinois State Board of Education. These are rules and regulations that have been developed jointly by the Illinois Department of Public Health (IDPH) and Illinois State Board of Education (ISBE).

As Pana CUSD #8 continues to fine tune our "Transition (Back to School) Plan" which will allow us to reopen schools we must be diligent in following the guidance of the Illinois State Board of Education to keep students and faculty safe. In order to be backed by our legal counsel and insurance, it is imperative that we follow the guidelines that have been developed. In order to be compliant we must do the following:

- Require the use of appropriate personal protective equipment (PPE), including the use of face coverings before entering buildings.
- Prohibit more than 50 individuals from gathering in one place.
- Require social distancing as much as possible.
- Require that all schools conduct symptom screenings and temperature checks or require that individuals self-certify that they are free of symptoms before entering the building.
- Require an increase in schoolwide cleaning and disinfection.

We understand that everyone may not totally agree with the health guidelines and safety stipulations that were given to us by IDPH, ISBE, and the Governor. The plan is not a representation of the Board of Education, administration, or staff's personal viewpoints, but a development based on the rules and best practices from our legal representation and insurance provider. Getting kids back to school is our number one priority and we must do everything possible to ensure a safe return and a sense of some normalcy for our students. There is no substitute for full in-person learning, but we understand the need to be flexible for a variety of reasons.

When developing the "Transition (Back to School) Plan" we took into account the best interests of all students and families, as well as the over 200 faculty and staff that work with students on a daily basis. We also took into consideration the feedback that we received from Parent and Teacher/Staff Surveys. With the data that we received, this coming year will be a very different looking year and like nothing that we have ever experienced. Plans for this year include Full In-Person Instruction and a Remote Learning option. Certain criteria will have to be met in order for families to choose the remote learning option, such as having Internet connectivity and by meeting other certain requirements. Please read the transition plan in order to familiarize yourself with requirements.

We ask that you continue to be patient as this is still a very fluid situation in which we receive new information daily. We will do our best to continue to provide information and feedback as we get closer to August and to provide you with information communicating any significant changes.

Sincerely,

Jason Bauer
Superintendent
Pana CUSD #8

District Priorities

- 1) We continue to make decisions based on what is in the best interests of ALL students.
- 2) Our goal remains to provide in-person instruction to all learners as soon as possible.
- 3) The District's decisions continue to be fluid, with the board, administration, and teachers continuing to evaluate all aspects to help achieve our above mentioned priorities.

Educational Choices for 2020-2021

1. In Person Instruction: Agree to full compliance with in person instruction requirements in which parents/guardians will adhere to all health and safety guidelines as set forth by IDPH and ISBE, including the wearing of face coverings.
2. Remote Learning: Students will receive instruction through remote learning options in which teachers will utilize a variety of instructional materials that students can complete at home. Students will be **required** to submit completed work to teachers and will receive grades.
3. Home School: Parents/guardians will homeschool their children and be solely responsible for all components of their child's education. Pana Schools will not be involved with any portion of the child's education or provide learning resources.

Important Information Regarding Each Choice

1. In Person Instruction: Parents/Guardians agree to full compliance with the school's decisions. Parents will partner with the District to ensure that students wear face coverings and monitor the health and well-being of their child(ren) each day, including making sure students are free from COVID-19 symptoms.
2. Remote Learning: Students will be responsible for completing homework in accordance to each individual teacher's learning expectations.
 - a. **Commitment**: Students who choose this option over In Person Instruction will be expected to complete a full quarter (9 weeks) before transitioning back to In Person Instruction.
 - b. Students with an underlying health condition must have a doctor's note prior to transitioning back to In Person Instruction.
 - c. Students electing Remote Learning Will NOT be allowed to participate in any extra-curricular activity (sports included).

FAX: 217-562-1501

- d. Students who have a legitimate medical concern for themselves or a household member may be allowed to move to remote learning with the approval of their building administrator. The following factors will be used by the administration to determine approval: prior remote learning participation and attendance, grades, medical concern, and any other relevant factors. If approved, the student would remain on remote learning for the remainder of the quarter
3. Home School: Parents/Guardians who do NOT send their student(s) to school and choose to homeschool them will not register as a student at Pana.
 - a. Students who are home schooled will NOT be allowed to participate in any extra-curricular activity (sports included).

If a parent/guardian chooses to send their child(ren) to school, we will ask that the following Health and Safety Protocols from IDPH be adhered to:

1. Any individual who tests positive for COVID-19 or who shows signs or symptoms of illness will be asked to stay home.
2. Families and staff need to immediately notify the school administration of possible cases in order to assist with tracing and to limit contact.
3. 24-Hours must elapse from any fever without fever reducing medication in order for a student / staff member to return to school.
4. If a student / staff member exhibits symptoms, but does not have a positive test they must be out 10-calendar days from when the symptoms first appeared.
5. Those individuals who have had contact with someone who tested positive for COVID-19 or who is suspected of having COVID-19 should isolate at home and monitor symptoms for 14-calendar days.
6. Stay home when sick, or after close contact with someone who is sick. If a student or staff member is sick, he or she **should not come to school or any school district property. Failure to comply with this safety expectation will result in disciplinary action.** If COVID-19 is known or suspected, students and staff members should self-isolate until 10 days since symptoms first appeared and 24 hours with no fever without the use of fever-reducing medications. If COVID-19 is not suspected, students and staff should stay home until symptoms have resolved.

Face Coverings

- Everyone must wear a face covering at all times while in the building (mask).
 - The Illinois Department of Public Health (IDPH) has communicated that face coverings and social distancing are vital in the battle against COVID-19. Face shields (at this time) have not been deemed as an appropriate source and are only to be used when other methods of protection are not available. Face coverings must be worn in order to be allowed inside of school buildings. **Pana CUSD #8 will provide face coverings to all students if needed.**
- Students unable to wear a face covering (mask) because of a prior or current medical condition must obtain a doctor's note in order to not be required to wear a mask.
- In the case of a doctor's note being obtained and a student not being required to wear a mask, we will encourage families to secure a school provided face shield or to consider Remote Learning Instruction.

Students / Staff / Parents Entering Buildings:

- Thermometer checks of all students and staff are required.
 - Students / Staff Temperature must be BELOW 100.4
- Students are asked to use designated entrances as determined by the building principal.
- Staff members are asked to use designated entrances as determined by the building principal.
- Parents / Guardians are NOT allowed inside of buildings unless arranged in advance by the building principal.
 - Adults / Children entering the building are required to have a temperature check or to self-certify that they are free of COVID-19 symptoms.
 - Parents / Guardians are required to wear face masks before being allowed inside of a school building.

Bus

- Bus Monitors / Bus Drivers will take student temperatures prior to them boarding the bus. Parents/Guardians are encouraged to self-certify that students are free from COVID-19 symptoms each morning.
 - Students will NOT be allowed to ride the bus if they have a temperature over 100.4 degrees.
 - Students are required to wear face masks while on the bus.
 - Students should use hand sanitizer prior to entering the bus.
 - Students will sit in assigned seats on the bus.
 - Students are required to wear face masks while on the bus and at the exchange.

Board of Education

FAX: 217-562-1501

- Families who live in the same house will sit together in the same seat (2).
 - Use multiple seats if more than two family members are on the same bus.
 - Students without a family member will sit alone in an assigned seat when possible.
 - Individual students are encouraged to sit next to a window when possible.
 - Buses will be sanitized after each bus route.
 - Students will utilize hand sanitizer when exiting the bus prior to entering the school building.
- Parents are encouraged to self-transport students if possible.

Classrooms

- Hand sanitizer stations will be placed in each building – Students should apply hand sanitizer regularly throughout the school day.
- Classrooms should have excess furniture removed (hallways, closets, staff homes) to allow for six feet between desks to the greatest extent possible.
- No Carpet Areas
- No common areas (group tables) if possible.

- Rows of desks
- Emphasis on the 6-foot rule to the greatest extent possible
- No sharing of materials (glue, colored pencils, pens, art supplies, etc.)
- Students should have assigned technological devices when appropriate.

Food Service

- Breakfast will be served each morning beginning at 7:45 a.m. in your student's attendance center only.
- Alternative spaces may be utilized at breakfast and lunch to maintain social distancing.
- Each student **MUST** be 6 foot apart when possible while eating at lunch tables.
- Other areas may be utilized to allow for 6-foot barriers as needed for student eating.
- Tables and chairs will be sanitized after each use.

Recess and Physical Education (P.E.)

- Recess and Physical Education will be offered daily.
- IDPH guidelines will be followed during recess and P.E.

Student and Staff Exclusion Chart

- Pages 6-12 provide information on situations when students and staff may be excluded from school.

Flexibility

- This Transition Plan is a guiding document with the most recent updated information. Due to the pandemic still being a very fluid situation, this plan will continue to be modified and updated as needed. Any changes will be communicated via our school website.

2020-2021 Online Registration

- Registration will be entirely online this year. If there is a need to register in person please call the office of the school of where your child(ren) will attend. Masks will be required to enter the building.
- ✚ Washington: (217)562-7500
- ✚ Lincoln: (217)562-8500
- ✚ Jr. High: (217)562-6500
- ✚ High School: (217)562-6600
- Online registration will be available beginning Wednesday, July 22, 2020.

2020-2021 School Start Date

- Thursday, August 13 – Teacher Institute
- Friday, August 14 – Teacher Institute
- Monday, August 17 – Teacher Institute
- Tuesday, August 18 – Remote Learning Planning Day
- Wednesday, August 19 – First Day of School
- Friday, August 28 – Remote Learning Planning Day
- ✚ All school days during the 1st quarter (through Friday, October 16) will utilize the 45-minute early dismissal time.
- ✚ Wednesday, September 9th will utilize a 3-hour early dismissal
- ✚ Wednesday, November 18th will utilize a 3-hour early dismissal
- ✚ All Wednesdays during the 1st quarter will now be Remote Learning Days for all students. This will begin Wednesday, September 16th through Wednesday, October 14th.
- ✚ Wednesdays through the first two weeks of December during the 2nd quarter will continue to be Remote Learning Days for all students. This will begin Wednesday, October 21st through Wednesday, December 9th. Wednesday, December 16th will be a day of regular attendance.

FAX: 217-562-1501

Remote Learning Days – Wednesdays

- All students will participate in remote learning on Wednesdays through the end of the 1st quarter (October 14). We will reevaluate the schedule again during a special board meeting on Monday, October 5th.
- All students will participate in remote learning on Wednesdays through the second week of December (December 9). Wednesday, December 16th will be a day of regular attendance.
- Teachers will be available for remote learners between 8:15 a.m. – 10:30 a.m. each Wednesday for questions and help on assignments.
- Teachers will continue to be available for those students already on remote learning from 2:30 – 3:30 p.m. each Wednesday.

Fully Continuous Remote Learning – All Students

- In the event that COVID-19 causes a disruption to the school year, the District will transition to an online learning format in which *all* students will utilize Google Classroom and other instructional methods.
- The District is in the process of updating the Remote Learning Plan in order to provide the highest quality education possible for online learning.
- There will be some sharp contrasts from the online learning that took place during the spring of 2020. Online learning will now be required, attendance will be taken, and grades on completed assignments will be administered. Failure to complete assignments in a timely manner according to a teacher's requirements will result in the possibility of lost credits, failing grades, and mandatory summer school.
- Online learning will be delivered via multiple platforms, including, but not limited to instructional videos and/or possible synchronous learning.

Technology Resources

- The junior high and high school both are 1:1 in which all students have access to a device.
- The District has purchased Chromebooks for students in K-5 to use in the event that schools are moved to remote learning by state officials.

Internet

- The District realizes that access to the Internet is critical during remote learning. While we cannot address all issues with connectivity, we have increased the number of mobile hotspots that can be utilized by students while participating in remote learning. Requests for hot spots may be made to the building principal.
- The District also has outdoor wireless access points at the junior high and high school in which community members have access to free internet access to Wi-Fi from their vehicles.

Students who have difficulty accessing Wi-Fi should contact their building principal.
