Texas Performance Reporting System

The Texas Performance Reporting System (TPRS) integrates state and federal reporting requirements into a single reporting system that can be viewed at the campus, district, region, and state level. As the most comprehensive reporting system published by TEA, TPRS provides additional performance reports, results, and indicators for student groups not previously reported on state accountability data tables (<https://rptsvr1.tea.texas.gov/perfreport/account/>), the Texas Academic Performance Reports (TAPR) (<https://tea.texas.gov/texas-schools/accountability/academic-accountability/performance-reporting/texas-academic-performance-reports>), or the School Report Card (<https://tea.texas.gov/texas-schools/accountability/academic-accountability/performance-reporting/school-report-cards>).

The TPRS Glossary (<https://tea.texas.gov/sites/default/files/comprehensive-tprs-glossary-2021.pdf>) provides definitions, describes methodologies, and lists sources for each tab in the TPRS system.
