Mrs. Guardipee-Hall and Mr. Holm,

My name is Mark Korso, and my company is working with Vertical Bridge. Vertical Bridge is partnering with T-Mobile to develop a cellular site in the area, and I know that you were approached and were interested in discussions directly with T-Mobile. We are looking to get started on this project, so I guess first of all we would like to confirm that you are still interested. If so, below is a map of the area. I am not sure if you had a specific place in mind or if we could sketch something up and work off of that. Typically, they like being close to the public right of way, power, and telco/fiber.

Also, regarding the monetary offer, Vertical Bridge would like to do an option for an easement agreement with a one-time payment of \$100,000.

I am happy to discuss further details on the agreement and location. Please let me know when would be a good time to chat. Otherwise, feel free to reach out to me.

Thanks,  
Mark
