ENROLLMENT

Attendance barriers-- Transportation, times, and other summer programs in the community.

All families were called before summer school began.

Created family contact spreadsheet

Began calling families the first day of summer school.

Both teachers, coaches, secretary, and principal reached out to families via phone calls, text, letters, and email.

THANK YOU

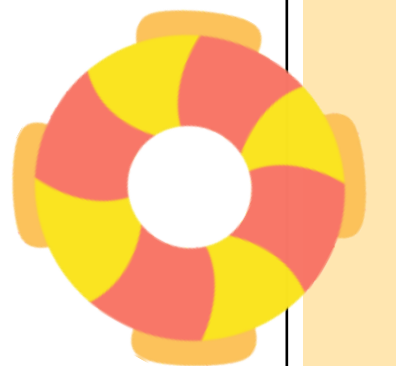

7/11

@ 614 S. Washington

The slurpees were so delicious!

THANK YOU DELTA COLLEGE PLANETARIUM

Seeing the stars during the day was awesome!

THANK YOU DOW GARDENS

Exploring nature is so much fun!

OUR GALLERY

Here, we capture beautiful and unforgettable moments that depict the perfect summer school program Jump into Kindergarten.

WHAT DID THE KIDS LOVE?

When we played with toys. Especially play-doh.

Going outside. I liked the swings and monkey bars.

I liked summer school and seeing my teachers everyday!

I loved both field trips!

I liked the planetarium and seeing the sky.

THANKYOU

Jump into Kindergarten Staff 2024!!!!
